

Collingwood Primary School's Impact of Sports Premium Report 2017-18

Our Primary School Sport's Funding will enables us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions increased participation and partnership links and training our staff to deliver enhanced in-house quality PE sessions.

Initiative	Impact
To enhance quality of teaching overtime – All years 1-6	Through incorporating the use of internal staffing and the combination of outside sports coaches we developed a curriculum for each child which would identify that child's strengths and needs to ensure that each child was able to improve their skills, showing progression throughout the year.
Increased participation schoolwide	<p>We introduced a number of new events, clubs and activities designed to increase and widen participation across the school. We increased participation in organised sporting activities to 88%. 2017-18 HAS (Hull Active schools)</p> <p>Pupils were able to access competition in local leagues, academy competitions and local cluster group competitions. As a result, a number of our pupils have joined local football, rugby and dance clubs for the first time.</p>
Ensure all children can swim 25m when they leave.	We facilitated swimming lessons for all children in year 4. This comprised lessons in a concentrated format resulting in progression for all children.
Dance Academy	<p>We have implemented a dance programme highlighting children who excel and also children who sometimes do not come forward in dance.</p> <p>We have identified children who show promise in football and athletics, and we are developing links to encourage their further participation outside school hours.</p>
Develop links with local schools and clubs	<p>We targeted individual year groups to participate in activities with local sports colleges in both the private and state sectors.</p> <p>Year 2-3 Rugby Year 5 Cricket</p>

Developing young sports leaders and supporting and engaging the least active pupils through Change for life club.

This programme was re-established, targeting 16 pupils across the school primarily focusing on pupil premium children. We operated a full club for two terms. The children who attended that club will promote the club for 2017/18 and will themselves lead the club.

Pupils led athletic days and lunchtime clubs and demonstrated and led events during sports day alongside the sports trainers and teachers
